

HOUSE “MIX” - Spring 2018

In your **House Mix** package you are receiving 6 bottles of each of these delicious great-value Burgundies:

2017 Regnié - Antoine Sunier

\$22

When we reach for a satisfying bottle at the end of day, more often than not it's a *Cru Beaujolais* (the Crus are the 10 villages in the Beaujolais region entitled to use the village's name. They are vastly superior to Beaujolais Nouveau or Beaujolais Villages).

Regnié is not as well known as the more famous Crus *Fleurie* or *Morgon*, so it often flies under the radar. It's an appellation you should get to know - there are numerous talented young vignerons there doing marvelous things - like this one from Antoine Sunier.

In only his 4th vintage, he's joined the ranks of the stars of new-school Beaujolais - working organically and biodynamically, using no chemicals, and keeping crop levels judiciously low. Following in the footsteps of his brother Julien, he focuses on purity of fruit and just plain yumminess. Enjoy this with pizza, pasta, burgers, cheese & charcuterie - it's a truly great food-friendly everyday red. Enjoy!

2017 Chablis - Frédéric Gueguen

\$19

Is there anything more satisfying than a delicious Chablis? It may be the perfect white for regular rotation - bright and crisp, pure citrus fruit, a unique minerality - it's got it all. Especially in the hands of a quality-first winemaker like Frédéric Gueguen.

We've been working with Fred and his wife Céline since the 2006 vintage, and they've never failed to deliver excellent wines at great prices, from Bourgogne to Grand Cru (and they make that killer Rosé we love so much).

Their "basic" Chablis is from estate parcels in two villages - vines surrounding their house in *Préhy*, and old-vine plots on the other side of the Serein river in *Chichée*. Combined it makes for a crystalline, precise expression of Chablis terroir - the wine to have with your cheese board, a plate of gougères, or simply as an apéritif. Cheers!
